Sustainability Series

First Tuesday of the month @ 6:00 pm

<http://sites.google.com/site/s2denver/>

Wynkoop Brewery - Mercantile Room

1634 18th St., Denver, Colorado 80202

**Colorado Carbon Fund: A New Way to
Support Clean Energy**

Featuring Susan Innis

CCF provides high quality, credible carbon offsets for those interested in mitigating their carbon footprint by supporting new clean energy projects in our states.

February 3rd
*Opening with Mayor
Hickenlooper*

International Development Enterprise (IDE) March 3rd

Featuring Zenia Tata

IDE is an international non-profit that has helped more than 17 million people in developing countries escape poverty through appropriate technologies, training, and market connections.

Salus World

Featuring Gwen Vogel

Salus is an international non-profit that facilitates a return to a healthy emotional life after war, political conflict, natural disaster and epidemics abroad.

April 7th

The Sustainability Series is a monthly networking forum for the public to learn and discuss how local Front Range universities, business, not-for-profit organizations, and governmental agencies have incorporated and defined sustainability in innovative and progressive ways.
